"Ebenezer" an Adaptation of "A Christmas Carol" to Debut in December.

"Ebenezer" is a modern adaptation of "A Christmas Carol." The play explores the concepts of mercy, compassion and the opportunity for second chances. When we are confronted by our own bad behavior, how do we respond? Do we harden our hearts and continue on in selfishness? Or do we have the maturity to admit when we are wrong and pursue love and kindness instead? Watch as Ebenezer, a miser whose heart is as cold as the December air, is confronted with the impact his greedy, selfish choices have had upon those around him.
